

400 companies, 4 countries, 150.000 users and counting..

#### Job interview

That moment you know within 30 seconds:

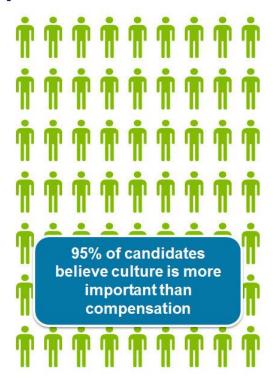

'this is not the candidate I am looking for....'

## The missing link

#### **Importance of Culture**

<5% of candidates value compensation over culture

Bersin by Deloitte.

#### 1. culture

#### 2. engagement

#### 3. employee retention

These are the **top talent challenges** that business leaders are facing (forbes).

#### 1. values

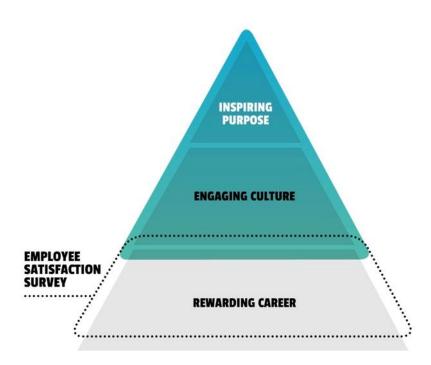

2. drivers

#### 3. motivators

Candidate perspective:

Who shall have access to my talent?

#### Choose your battles

Employee Value Proposition Model (building blocks for your proposition as an employer)

# 20% of hires leave within the first 18 months...

...imagine the costs!

### engage, screen, pre-select and assess

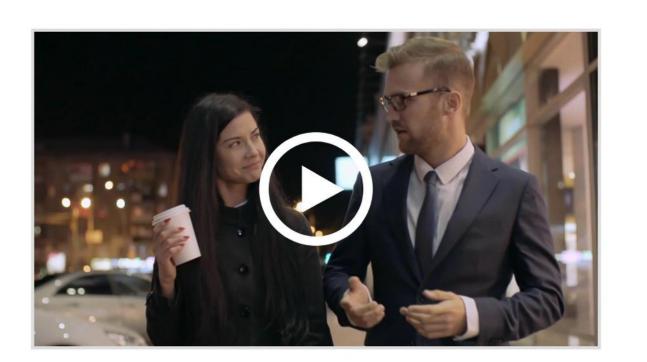

Once culture is established it becomes a tool to

candidates

#### Quick wins

- Your Employer Brand made interactive
- Improve the recruitment experience & conversion rates
- Up front match on drives, values, motivators
- Improve the quality of hire
- Save costs

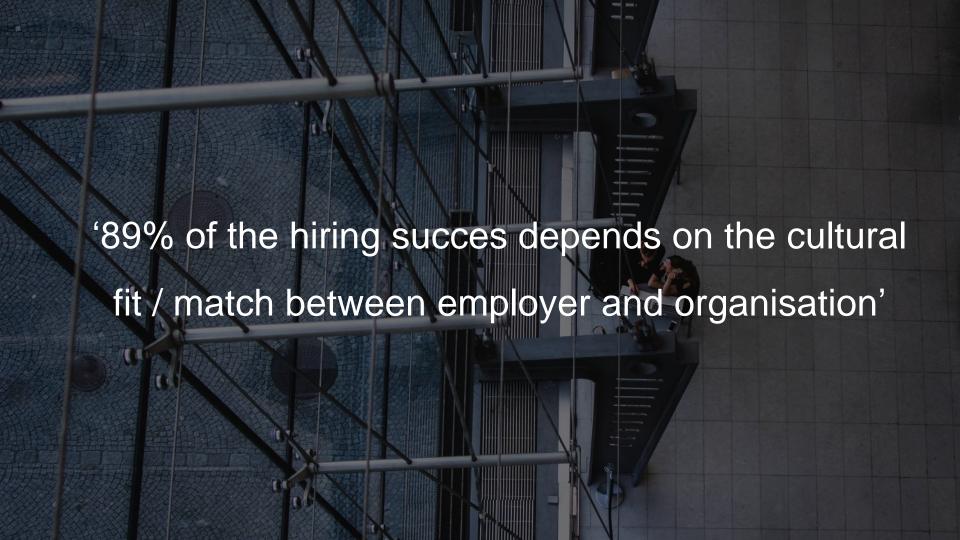

## From Consumer Brand to Employer Brand

# selection criteria for leaders'

'Cultural fit (team & organisation) is in our top 6

'If Cultural Fit is so important why do companies

primarily focus on knowledge, experience, skills

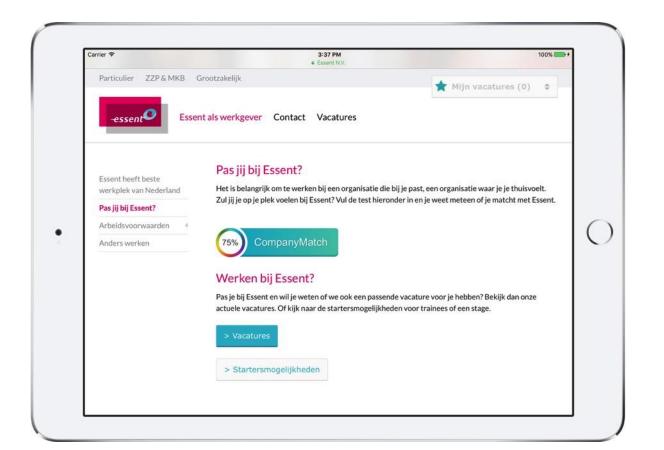

and competencies?'

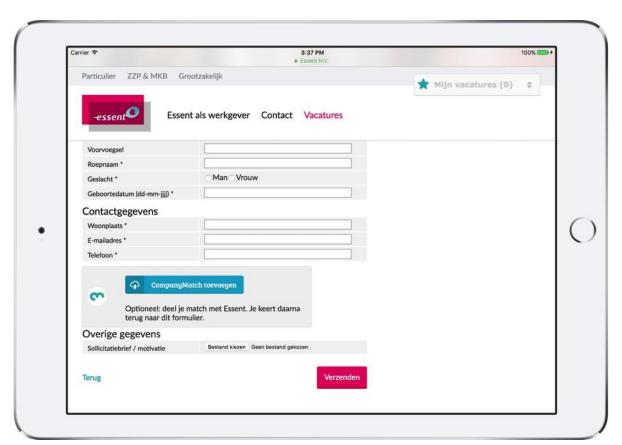

#### #hireforculturalfit

'We integrated CompanyMatch from

Orientation (career site) to Application (Connexys)

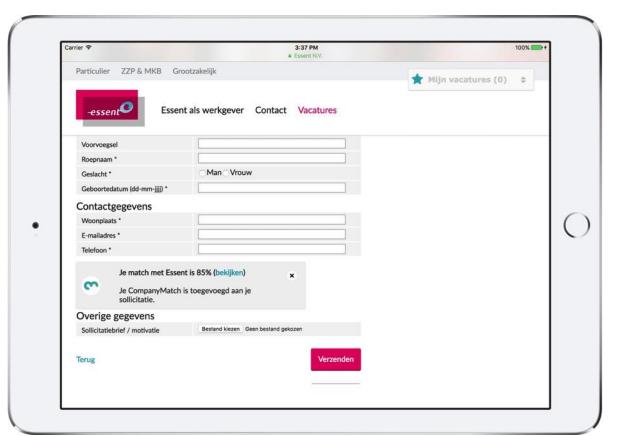

# 90% CompanyMatch
