

## Simplify the Process From Placement to Payment

*Now Offering Outsourced AND In-House Payroll Solutions*

### Placement to Payment with a native Bullhorn Integration

As a Bullhorn Marketplace Partner for over 10 years, the staffing experts at Employdrive have built a world class 360 degree integration to all things Bullhorn, Bullhorn One, and Bullhorn Back Office.

### Control of Your Payroll

Employdrive focuses 100% on staffing, so we understand how important it is to make sure your people are paid accurately and on time!

### Full Featured Enterprise HCM

isolved People Cloud is a full featured HCM platform, deployed and supported by Employdrive.

### Tax Management

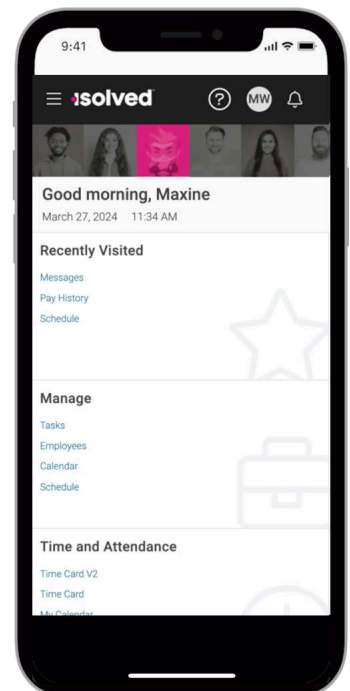

For outsourced payroll clients, Employdrive offers fully guaranteed Federal, State and Local tax filings. If you are managing your own payroll and taxes, keep it simple with the isolved Tax module.

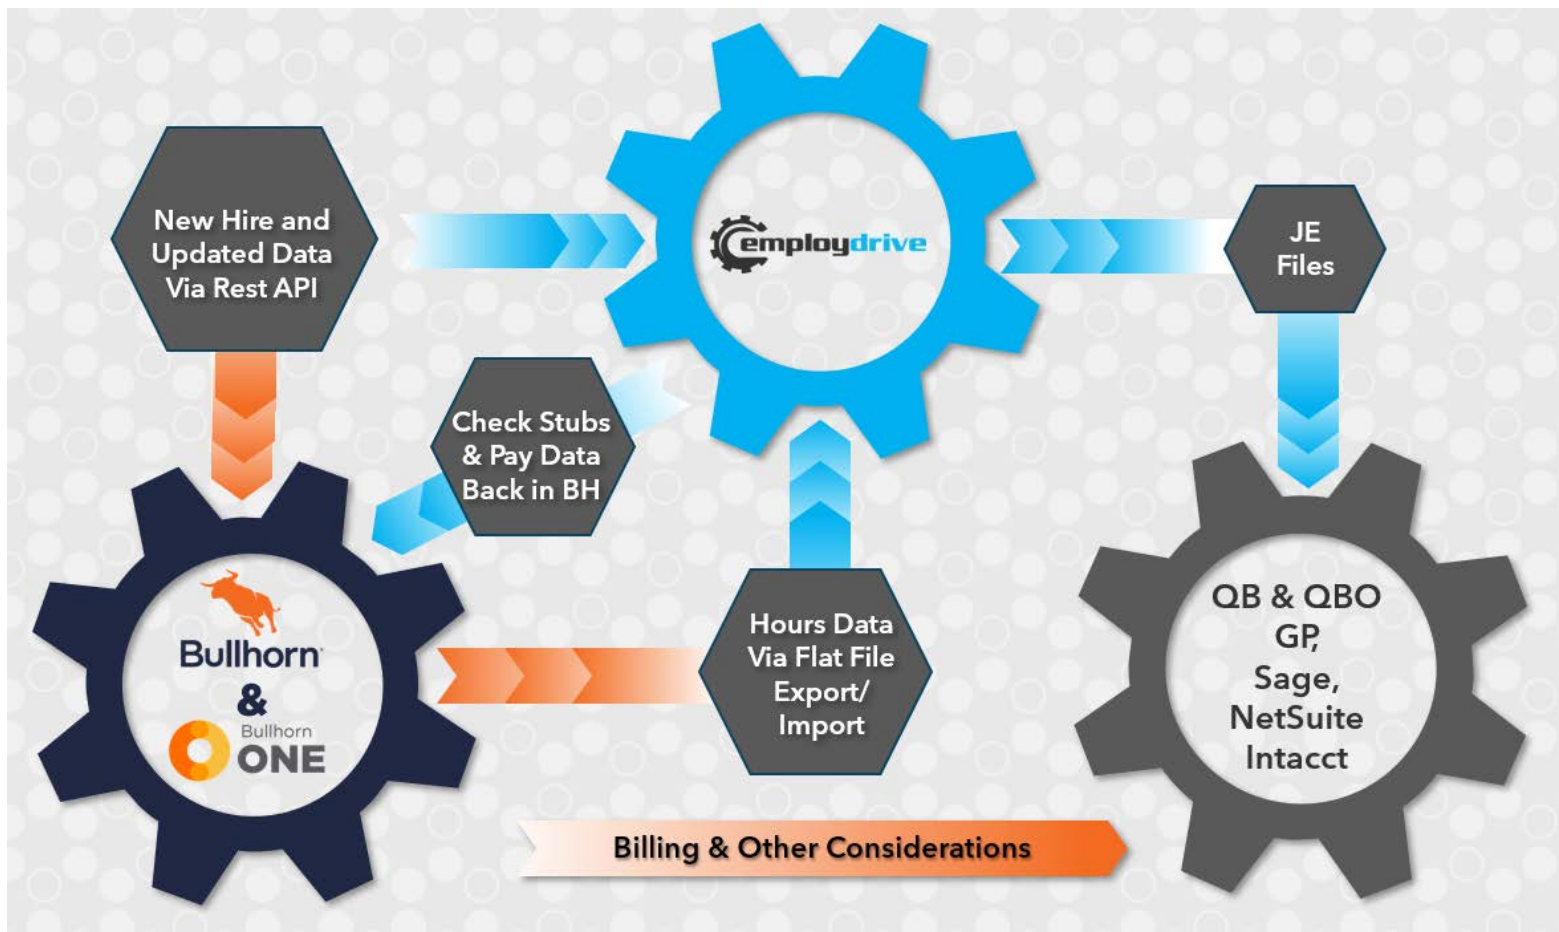

### Employee Self-Service

Easily access pay stubs and year end forms as well as make updates to direct deposit and tax withholdings from any device.

### Total Data Security

Multi-layered security strategy and SSAE-16-certified data centers protect your data.

Plus, all the features you need to process payroll and manage your staffing firm quickly and accurately:

- Benefits and 401(K) Enrollment and Administration
- ACA Compliance and Reporting
- Network of integrated Partners for additional capabilities
- Full payroll run schedule control
- PTO and Accrual Plan tracking
- HR solutions including Learning & Performance Management
- Time and Expense reporting for internal employees
