

More placements. More profit. Same team.

Introducing Bullhorn Amplify

Bullhorn Amplify is a new kind of AI solution built exclusively for staffing and recruitment. Amplify has the skills of your top performers without the constraints of time or resources, so you can **scale your business without limits**.

You can deploy Amplify's extensive AI skills to tackle specific jobs, or you can apply it across entire teams, increasing speed and improving the quality of service throughout the recruitment life cycle. It's how firms amplify the power of their teams to make **more placements and more profit – without growing their headcount**.

Bullhorn AMPLIFY

Amplify delivers results.

Bullhorn Amplify delivers performance improvements above and beyond those that agencies gain when using the Bullhorn Platform. Here are some examples you can unlock with Amplify.

51% *more submissions to jobs*

17% *faster time to submit*

31% *more jobs with submission*

22% *improvement in fill rate*

Will Hayes
COO, IDR

“Our junior staff will **become productive 30% faster**, and our senior team members will **double or even triple their day-to-day assigned requirements.**”
